9781606132715	Blue Skies for Lupe	1	This book will warm readers' hearts with its simple, but gripping story based on the real-life adventures of a Mexican immigrant born with physical disabilities. Linda Kurtz Kingsley's charming tale is supported by her beautiful watercolours, sensitively rendered to capture the landscapes and people in Lupe's life. Lupe's mother, Mami, leaves for America to get the best care for her daughter. They cross the desert at night and arrive in California where their new life begins. Mami works as a farm laborer, and while in the fields she sings 'Cielito Lindo' to little Lupe. It means beautiful little sky, just like the blue skies of California and Mexico. The years pass, and Lupe is ready for school. She cannot walk, so she uses a wheelchair, and has an aide, who helps her understand her lessons in English. Lupe has moments of self-doubt, but is reassured by Mami with her quiet refrain, "You'll do fine". A shared giggle in the classroom after an incident when Lupe accidentally runs over her teacher's toe -- caramba! -- leads to friendship. Encouraged by Mami, friends, and teachers, supported by accommodations, and respected for her Hispanic heritage, Lupe blossoms. She is on her way, confident that she can do anything she wants, and knows she'll do fine! This aspirational story is full of hope, offers life lessons about working hard to achieve your dreams, and shows the value of a supportive community. The book includes an update on the adult Lupe's accomplishments and future plans, as well as a short glossary of Spanish-language vocabulary words featured in the story. In the midst of their happy home, Carol misses her mother and father. She longs to be with them. But until that time comes around, she learns to surrender to the love that is present. Mama Rose becomes her "home." And Carol Olivia Clementine concludes that she loves Miss Rose, "just like a mama." This sweet read-aloud is, on the surface, all about the everyday home life a caregiver creates for a young child: she teaches Clementine how to ride a bike, clean her room, tell time. A deeper look reveals the patience, intention, and care little ones receives in the arms of a mother whose blood is not her blood, but whose bond is so deep—and so unconditional—that it creates the most perfect condition for a child to feel safe, successful, and deeply loved. 9781536218510	Noah's Seal	1	In a picture-perfect ode to the perfect day at the beach, a young boy experiences the joys of being left alone to play and dream at the edge of a wild sea. Waiting is hard. In a gentle multigenerational story that blurs the boundaries of real and imagined, Noah waits on shore while Nana fixes their sailboat. The boat will take them out to sea where the seals live, and Noah can hardly contain himself. In the meantime, he sculpts his own seal out of sand. Noah collects shells for the seal's speckled back, spiky dune grass for whiskers, two shiny pebbles for eyes, and a smiling line of seaweed for a mouth. He lies beside his new friend to watch the rolling sea until a storm blows in and Noah must take cover. Later, he wonders: did his seal swim away? 9780670012701	The Snowy Day	1	The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. This 50th Anniversary Commemorative Edition celebrates the classic beloved by generations of readers and listeners. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. The Snowy Day transformed children's literature with its pioneering portrayal of an African-American child and the charming story and artwork that won it the Caldecott Medal. Fifty years later, Viking proudly celebrates Peter's adventure in this very special edition. Featuring eight pages of bonus material and a festive cover, this oversized edition of Keats's beloved book is a must-have. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un día de nieve.) Praise for The Snowy Day: New York Public Library's #1 book on the list of "Top Check Outs of All Time" "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." —The Atlantic "Ezra Jack Keats's classic The Snowy Day, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—Publisher's Weekly	Penguin	Ezra Jack Keats	2011-08-18		English

9781984835451	When the Babies Came to Stay	1	A gentle, humorous story has a significant message of love and acceptance. The first baby arrived on the mail plane, the second two on the ferry, the fourth asleep on a pile of nets, smelling of mackerel. Who were the babies? Where did they come from? The notes left with them said "Please keep this baby safe" and "Please give my child shelter." Only the librarian can take them home, and the library is where they grow up. The whole island helps to raise them. The fisherman teaches them to cast from the pier, the ferryman shows them charts of the sea, and from the harbormaster they learn to recognize birds. "Who are you?" other children ask. "Why don't you look alike?" The librarian gathers them in her arms. "Families don't always look alike," she says. "And where we're going is more important than where we came from." This charming, lighthearted fairytale contains a message of acceptance that is particularly significant for our time.
